

# Tricky Spellings List one

This game is best played in groups of two to four players.

Rules:

- Shuffle the cards and place them face down in a pile in the middle of the table.
- In turn, pick up a card from the pile and turn it over. If you think the word on the card is spelled correctly, you get to keep it. If you think it is spelled incorrectly, put it in a separate pile in the middle of the table.
- Keep going until all the cards are gone from the pile.
- When you've finished, check that you have each picked correctly spelled words, and then add up the number of cards you have.
- The person with the most cards, wins!
